

Are you concerned about your child's speech?

Language – *Is your child a late talker?*

Intelligibility – *Is your child's speech hard to understand?*

Articulation – *Is your child substituting or omitting speech sounds?*

Comprehension – *Is your child able to follow directions?*

Attention – *Is it hard for your child to focus on an activity?*

If you are concerned, we invite you to book a consultation with a Speech-Language Pathologist at PREP. Our experienced SLP's can ease your mind and give you achievable goals and fun activities to work on at home with your child. Come and learn what the "next steps" are for your child to learn to speak up clearly and with confidence at home and school.

Children of all ages and ability levels are welcome.

PREP is conveniently located in the inner city community of Briar Hill just off of 16th Ave NW, close to the North Hill LRT. There is convenient access from 16th Ave NW, Memorial Drive and Crowchild Trail. Call Vanessa at 403 282-5011 ext. 116 or email vanessa@prepprog.org to inquire about rates and available appointment times.

We look forward to welcoming you and your child to PREP!
